

# Discussion Starters

Below we have prepared some discussion starter questions for use in a parish or group setting. Please feel free to adapt and adjust the questions to suit your local context.

## Encounter (Presented by Archbishop Julian Porteous)

1. What did you learn from the presentation?
2. Share with others an experience of encounter with Jesus that you have had.
3. Discuss how you might share your encounter experience with those who are beginning their faith journey.
