

Discussion Starters

Below we have prepared some discussion starter questions for use in a parish or group setting. Please feel free to adapt and adjust the questions to suit your local context.

Relationship is the key - Evangelisation starts with me (Presented by Sr Grace Roclawska CSFN)

1. Consider the following in your parish context:
 - a. Enable: How does your parish enable encounters with Jesus?
 - b. Enthuse: How do we nourish or support a personal relationship with Christ.
 - c. Empower: How do we support or empower leaders?
2. How urgent do you think is the need to evangelise?
3. Do you have a story of where you have encountered Christ. If not, take some time to reflect on this now. Write it down and/or share it with others.
