

Discussion Starters

Below we have prepared some discussion starter questions for use in a parish or group setting. Please feel free to adapt and adjust the questions to suit your local context.

Being and joyfully announcing the Gospel! (Presented by Sojin Sebastian)

1. In our parish do we celebrate the diversity of cultures?
2. If there are newly arrived Catholics from overseas, including refugees, how do we assist them, and what gifts do they have to nourish parish life?
3. What do we know about Eastern rite Catholics, such as the Syro-Malabar Church? Could they do a small presentation so that we could increase our knowledge of their rite?
4. Sojin presents six practical recommendations for evangelisation. Discuss your thoughts on these recommendations.
