

# Discussion Starters

Below we have prepared some discussion starter questions for use in a parish or group setting. Please feel free to adapt and adjust the questions to suit your local context.

## Preaching: A right and responsibility of all baptised (Presented by Dr Maeve Heaney VDMF)

1. What do you think of the idea that all the baptised are called to preach?
2. What do you think of the idea from *Evangelii Nuntiandi* #14 - "that evangelising is the mission of the Church - her deepest identity"? Do we believe this?
3. While we can evangelise through our actions, *Evangelii Nuntiandi* 22 says that eventually we must make "explicit" and "clear" an "unequivocal proclamation of the Lord Jesus". How do we do this, and do we feel comfortable to explicitly speak about Jesus?
  - 3a. What formation could we offer in our parish to help people do this?
