

Discussion Starters

Below we have prepared some discussion starter questions for use in a parish or group setting. Please feel free to adapt and adjust the questions to suit your local context.

The Conviction of a Life in Jesus' Mission (Presented by Sr Patricia Fox NDS)

1. In what ways has Sr Patricia's keynote opened your eyes to the plight of others?
2. Discuss to what extent should the Catholic Church get involved in political issues affecting the plight of the disadvantaged. You might consider Sr Patricia's differentiation between being 'political' and not 'party political'.
3. Reflect on the story of the Good Samaritan. Are we being invited to be a Good Samaritan in our local community - in what ways? What obstacles need to be overcome?
